PROFILE

Full-Stack Software Engineer (Python + React) with hands-on experience building production REST APIs, webhooks, dashboards, and internal tools. Strong with MySQL + Firebase, OAuth/JWT authentication, third-party integrations, and cloud deployments (AWS, Vercel).

EDUCATION

COMSATS Institute of Information Technology — *Attock, Pakistan*
Bachelor of Science in Software Engineering — 2020 – 2024

- Topper of the batch

SKILLS

Technical: Python (FastAPI, Flask, Django), REST APIs, Webhooks, OAuth/JWT, Testing, API Documentation
Tools: React, TypeScript/JS, Hooks, Redux/Context; MySQL, Firebase; AWS, Vercel; CI/CD, Git

CERTIFICATIONS

- Machine Learning A-Z: AI, Python & R (*link*)
- Flutter & Dart - The Complete Guide (*link*)

EXPERIENCE

PlanetBeyond — *Islamabad, Pakistan*
Software Engineer — April 2024 - Present

- Built Python REST APIs (FastAPI/Flask) for auth, webhooks, and core workflows; documented endpoints and handled edge cases.
- Built React dashboards/internal tools with hooks + Redux/Context; added role-based access and improved performance.
- Integrated MySQL + Firebase (Auth/Firestore/Realtime DB/FCM) and third-party APIs; automated jobs and deployed to AWS/Vercel via CI/CD.

PlanetBeyond — *Islamabad, Pakistan*
Intern Software Engineer — Dec 2023 - April 2024

- Contributed to the flagship React web app: reusable components, hooks-based features, bug fixes, and performance improvements.
- Supported API integrations, MySQL/Firebase updates, and release testing for production web applications.

PROJECTS

Teepee (EdTech SaaS) — 2024 - Present

- Contributed to the flagship React web app: reusable components, hooks-based features, bug fixes, and performance improvements.
- Supported API integrations, MySQL/Firebase updates, and release testing for production mobile and web applications.

ACHIEVEMENTS

- Promoted from Intern to Full-Time Software Engineer within 4 months for strong ownership and delivery.
- Shipped 5 cross-platform applications (3 live releases) with OAuth sign-in, real-time data, and notifications.
